The Department of Tourism and the Department of Customs & Inland Revenue is reminding All Tourism Operators through out Vanuatu that the period for applying for **2016 Tourism Permit** will be from the **12th of October** to the **30th of November, 2015**.

Tourism business permits will be issue to tourism operators in December 2015. Business license issuing for 2016 will only be issued to Tourism operators that have attained their tourism permits from the Department of Tourism.

There are no fee charges required for the tourism permit except your business license.

What a Tourism Business Operator would need to do is complete the "Required self-Assessment Form(s)" from the Department of Tourism as the basis for applying for a Tourism Permit.
